

## HOUSE RULES

**Here are guidelines to make our group the best it can be:**

1. What is shared in class should stay in class.
2. Pray for one another.
3. Pray regularly for your teen or pre-teen.
4. Listen to one another when sharing.
5. Limit sharing of a topic to 3-5 minutes so others in our group will also have time to talk.

**Thank you for recognizing that my goal as the facilitator is to keep us on track. Therefore...**

1. I may need to ask you to wrap it up, meaning, try to finish what you are saying as quickly as possible.
2. I may call on you to share. If this makes you uncomfortable please feel free to pass!

*Thank you for your understanding; I will be working hard to try to get through everything we want to cover during each meeting.*

*If we haven't answered a question as well as you would like, let's talk after class and I will try to get more information for you.*
